

REMARKS/ARGUMENTS

The above-identified patent application has been reviewed in light of the Notice of Drawing Inconsistency with Specification dated September 25, 2009. To correct the inconsistency, the Brief Description of the Drawings section in the Specification has been amended herein to include a reference to Figure 38. Accordingly, entry of the Amendment to the Specification is respectfully requested.

The Applicants believe the application is now in a state for issuance as a patent grant and request the Office of Patent Publication's indication of the same. The Office is invited to contact the undersigned by telephone if doing so would be of assistance.

Respectfully submitted,

SHERIDAN ROSS P.C.
